PROTESTED APRIL 15, 1925, BY JAMES DOUTRE.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed .0093 cubic feet per second, or sufficient to water 1500 head of sheep.

Actual construction work shall begin on or before N/A

Proof of commencement of work shall be filed before N/A

Work must be prosecuted with reasonable diligence and be completed on or before August 6, 1985.

Proof of completion of work shall be filed before September 6, 1985 OCT 07 1985

Application of water to beneficial use shall be made on or before

August 6, 1988. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 6, 1988.

WITNESS MY HAND AND SEAL this 6th day
of August, 1984

State Engineer.
